

**Brain Injury Association of Sault Ste. Marie and District  
Borrow a Tent**

A donation of a specific amount detailed below, made to the Brain Injury Association of Sault Ste. Marie and District, hereafter referred to as the Association, and through the Association website [www.soobraininjury.com](http://www.soobraininjury.com) Pay Pal account, entitles the person/company/organization to use the Association's canopy tent for one day within a six month period. Additional donations will extend the time the Association shall lend the tent to the donor.

As two donors may wish to use the tent on the same day, the priority goes to the first to contact the Association to book a date. If a donation is made and the tent is not used in the given time, there will be no return of the donation.

A donation does not automatically grant use of the tent if the Association has concerns about the appropriate use of and safety of the tent. Nor does a donation mean the donor must use the tent, it will just be available should the donor wish to.

**Agreement of Responsibility and Liability**

I, the undersigned, acknowledge responsibility to return the borrowed tent in as good a condition as when it was given to me. If there is damage, such as tears, broken poles, broken or missing latches, missing equipment or serious staining of the tent fabric, I understand and agree to pay the cost of tent replacement, whether I believe it is functional (useable) or not. I acknowledge and agree that the determination of its functionality (usability) is the right and responsibility of the Association and may include not only the ability of the tent to be erected and have a whole canopy but also overall appearance and cleanliness. The cost of such replacement is \$185.00 Canadian.
